

One element of the ministry of **Journey of Faith Christian Church** is the opportunity to offer the church home as a meeting place for the wider community. Our building, conveniently located, includes areas for a variety of groups. Just west of Washtenaw Ave. and E. Stadium -- Between the U of M campus and Arborland Mall. High traffic location. Minutes from US-23, I-94 and Briarwood. Ample parking. High traffic location.

Journey of Faith makes its space available for community groups and individuals to use for programs and special events, and values these engagements. Our beautiful sanctuary is an ideal place for weddings and provides a peaceful place for a memorial service. Meeting rooms and large gathering places, including an area with a fireplace and kitchen, are perfect workshops, musical recitals and programs.

Our minister and staff are available to assist with special services, and sometimes, with programs. For more information or inquiry, **please contact the church at: 734.971.4245 or jofdisciples@gmail.com.**
